Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or Topic: SB1601

My name is Casey and I am a resident of Benton county. I oppose the proposed legislation in SB 1601 with -3 amendment. I rely heavily on Amtrak's routes to get to places I need to go and it is a very important alternative for long-distance transportation for those without cars. Passenger rail networks have served a very important role in our nation's history and are still actively used today!
