

Submitter: Emily Guise

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or Topic: SB1601

Dear members of the subcommittee, My name is Emily Guise and I am a resident of Multnomah county. I oppose the proposed legislation in SB 1601 with -3 amendment. As a happily car-free resident, I rely on transit and biking for the majority of my travel. TriMet has already made devastating cuts to several bus lines and has reduced hours. I want MORE funding for transit, not less! Oregon needs to continue to reduce its reliance on fossil fuels and invest in non-vehicle dependent travel to protect our environment and our state budget.

We cannot continue to cut transportation alternatives and access to people who cannot drive to prop up a broken highway system.

Please do not pass this amendment and keep our transit funding intact!

Thank you for your time,
Emily Guise
