Measure, Appointment or SB1601
Topic:

My name is Steven Utley and I am a resident of Marion county. I oppose the proposed legislation in SB 1601 with the -3 amendment. We cannot continue to cut transportation alternatives when 1 in 3 Oregonians don't or can't drive. Rail is a lifeline to education, employment, healthcare, and the economy. Oregon can't afford to prop up the operations of highways by eliminating funding modes which shift vehicles off our roads.

Please do not pass this amendment and keep our transit funding intact!
