Measure, Appointment or Topic: SB1601

I am a resident of Multnomah county. I oppose the proposed legislation in SB 1601 with -3 amendment. We cannot continue to cut transportation alternatives and access to people who cannot drive to prop up a broken highway system. Not everyone can drive. Voting for this is crushing to elderly, disabled, and low income Oregonians who rely on transit to get to work, get their groceries or visit their doctor.

Please do not pass this amendment and keep our transit funding intact!
