Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction
Measure, Appointment or Topic: HB5203

I OPPOSE [HB 5203].

Are the FEE stuctures for Criminal / Financial Background checks calculated by the Oregon Department of Administrative Services or the Oregon State Police who perform the work?

***The FEES are too low.

***The absence of the identities of categories of FEES charged, leaves this taxpayer bewildered to just what is going on in "SECTION 10."

Fees in "SECTION 10" begin: [Calendar Year (2026)] and are raised through [Calendar Year (2030)]. How can the State accurately calculate the Fee increases this far in the future?

***I had to spend time and effort to research just what the State of Oregon is referring to in "Section 10" when all was needed was to provide the taxpayer with the following website:

https://www.oregon.gov/dsl/wetlands-waters/Documents/RemovalFillFees_FiveYearSchedule.pdf

***The State of Oregon needs some help in communication of FEE increases by providing the information contained by Oregon Department of State Lands.

[HB 5203] is interesting but more work is needed to calculate higher FEES and clarifications to what the FEES are FUNDING.

Mr. Oregon Concurr and says, "[SECTION 6] FEES and the psilocybin FEES are definitely way too low."
