I am NEUTRAL on [SB 1601].

[SB 1601] started out to raise judge's salaries-which I SUPPORT.

I also SUPPORT, the Safe School Paths which means more funding for Law Enforcement and stiffer punishments for deviant criminals.

The Yamhill County Fairgrounds infrastructure projects are in need of funding (the Fairgrounds need to be relocated and expanded in size for economic development issues).

The St. Paul Rodeo Fairgrounds bleachers are in need of total replacement.

More flexibility, access and reliability in transportation choices for the disabled and seniors are needed.

Mr. Oregon Concurrs and says, "Siphon off some the [\$645,000,000} from the free housing listed in [SB 5702 (2026)]."
