On Behalf Of: Mr Oregon OPPOSES SB 1511
Committee: House Committee On Revenue
Measure, Appointment or Topic: SB1511

I OPPOSE [SB 1511 A].

What justification does the State of Oregon have to put their grubby hands into the pockets of the dead and take money and or property designated for the dead person's heir(s) apparent?

The answer is, heartless greed and the legal ability to do so.

Oregon should abolish the Estate Tax altogether.
