On Behalf Of: Mr Oregon OPPOSES SB 1510
Committee: House Committee On Revenue
Measure, Appointment or Topic: SB1510

I OPPOSE [SB 1510 A].

[SB 1510 A] would weaken Oregon's tax laws, remove oversight functions and initiate a dumbing down of Oregon's tax laws and tax preparers.

[SB 1510 A] will hurt Oregon business and will add inflationary issues into Oregon's economy.

David S. Wall

Mr. Oregon Concur and says, "[SB 1510 A] will permit an influx of large tax corporations to take business away from our fellow Oregonians."
