On Behalf Of: Mr Oregon Supports SCR 205
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SCR205

I SUPPORT [SCR 205].

[\$645,000,000] for [SB 5702 (2026)] Government (Taxpayer) Subsidized Housing Projects and Government (Taxpayer) Subsidized Rental Housing Projects-What a memorable trip down Communist lane.

A tremendous waste of taxpayer money supporting the Welfare State.

More indebtedness and sheer incompetence in not solving the Oregon Department Of Transportation issue through cutting spending on the worthless: Housing and Community Services Department, The Department of Land Conservation and Regional Solutions just to name a few areas of governmental bloat.

Hey Legislators, I hope all of you stay safe, have some fun and get ready for the Long Session.

****Many Thanks to Ms. Jade Briski for her help with the temporary problems at OLIS.****

Mr. Oregon Concurr and says, "Hey Senators and House Representatives-Quit being stingy. You folks don't pay Jade enough!"
